

Meet our new Chief Operating Officer

"As a society, we're continuing to see rapid economic and cultural changes in many aspects of our lives. I believe that prospering through this time is achieved by embracing those changes and finding opportunities to introduce new collaborations and new ideas. My role is to continue customizing and enhancing operations to keep our partners safe and help them reach their goals."

The Loomex Group announced that Kymm Buckham joined its team as Chief Operating Officer. Mrs. Buckham is a proven team leader with experience working in government services and the private industry across Canada as well as parts of the U.K. and Europe.

Mrs. Buckham brings years of financial, commercial, and project management experience to The Loomex Group's team. In addition to these skills, her background includes contributions to large-scale projects for many notable clients, such as the Royal Canadian Air Force and Public Service and Procurement Canada. Most recently, Mrs. Buckham enjoyed success in operational and corporate roles with Bombardier, CAE, and Babcock.
