

## Meet our new Vice-President of Airports

"I'm looking forward to continuing the safe, efficient, and friendly operations at all our managed airports as we continue to recover from the impact of the global COVID-19 pandemic. My goal is to ensure that the airports we manage continue to serve their communities safely and efficiently."

The Loomex Group announced that Mike Karsseboom joined its team as Vice-President of Airports. Mr. Karsseboom is a seasoned aviation leader with extensive airport experience, specializing in safety and security, air traffic control, and aircraft manufacturing.

Mr. Karsseboom joins The Loomex Group after decades of operational roles with airport authorities in the Greater Toronto Area and PortsToronto, including Director of Airport Security, Compliance & Planning at Billy Bishop Toronto City Airport. His background also includes air traffic control experience with the Department of National Defence and manufacturing work with Bombardier Aerospace. Most recently, he was the Managing Director at North Peace Regional Airport in Fort St John, BC. Mr. Karsseboom is also an active member of the Regional and Community Airports of Canada, the Airport Management Council of Ontario, and the International Association of Airport Executives
