New Airport Manager and Assistant Manager at Peterborough Airport

Peterborough, ON: The Loomex Group is pleased to announce new additions to the leadership team at Peterborough Airport.

Dustin Gervais is stepping into the role of airport manager. Mr. Gervais is well-versed in the topics of safety, compliance, and operational efficiency, and his expertise will help Peterborough Airport enhance its service capabilities. Under Mr. Gervais' leadership, the airport will have the guidance to continue delivering exceptional service to clients and the community.

Karlee Thornton, who previously held an airport operations specialist position at The Loomex Group, is returning to the company as the new assistant airport manager. Mrs. Thornton has over two decades of experience in the aviation sector, and she is excited to help Peterborough Airport continue to uphold high standards of safety and service for all airport users.

"We are thrilled to welcome Dustin and Karlee to their new roles," said Trent Gervais, president and CEO of The Loomex Group. "Their combined expertise and passion for the aviation industry will prove instrumental in advancing the operational excellence and business development goals of Peterborough Airport."

The Loomex Group is contracted by the City of Peterborough to operate Peterborough Airport. The company is committed to ensuring the success and safety of the airport, and the appointments of Dustin Gervais and Karlee Thornton highlight its commitment to investing in top-tier managerial talent.
