
ACF Associates Inc. Appoints New Executive Vice-President

September 26, 2025

Peterborough, ON: ACF Associates Inc. is pleased to announce that Jacques Comtois will become the company's new executive vice-president. This appointment comes as current executive vice-president Andy Fitzgerald and current vice-president Andrea Crossland are transitioning to consulting roles within the company.

Mr. Comtois has over 35 years of experience in the aerospace, defence, and security industries, and this experience makes him a valuable asset to the organization.

Mr. Comtois has a diverse professional background. His academic qualifications include a B Mech. Eng. from the Royal Military College of Canada and an executive MBA from Queen's University.

After completing his studies, Mr. Comtois joined the RCAF where he served as the commanding officer for 3 Air Maintenance Squadron and completed operational tours in Europe and the Persian Gulf.

Mr. Comtois has also held managerial roles at Spar Aerospace, Rolls-Royce Canada, Bombardier Aerospace, and L3 Harris Technologies. Most recently, Mr. Comtois was the vice-president at Arcfield Canada.

In each of his prior roles, Mr. Comtois has excelled as a team builder and motivator. He has helped establish high-performing work environments, and he has demonstrated an aptitude for cultivating strong business relationships with customers, partners, and suppliers.

Mr. Comtois has also proven that he has the skills to create strategic and operational plans and then provide the necessary hands-on management to implement those plans successfully.

"We are thrilled to welcome Jacques to our team. He has a visionary approach and strategic mindset, as well as corporate-aligned values and a passion for delivering excellent service to clients. These qualities make him a welcome addition to the team."

— Trent Gervais
President and CEO

The Loomex Group Ltd. & ACF Associates

As the executive vice-president of ACF Associates, Mr. Comtois will lead the company during its current period of growth and into the future.

“I am honoured to be a part of such a talented team of professionals, and I look forward to building upon the company’s success. I am confident that together, we will continue to support customer success.”
– Jacques Comtois

Mr. Comtois will also serve as a member of the executive team for The Loomex Group of Companies.

About the Company

Founded in 2006, ACF Associates Inc. is Canada’s premier provider of end-to-end performance management solutions.

The company supports military aerospace sustainment enterprises, working with various industries and government agencies in Canada and around the world.

In 2022, ACF Associates was acquired by The Loomex Group Ltd.
