The Loomex Group Ltd. Appoints Executive Vice-President of Performance and Growth

Peterborough, Ontario: The Loomex Group Ltd. is pleased to announce that Daina Proctor will join its team as the new executive vice-president of performance and growth. This appointment is effective November 27, 2025.

Ms. Proctor has over 20 years of experience leading projects in both Canadian and international markets, helping businesses scale their services to manage growth while optimizing profitability. Throughout her career, Ms. Proctor has demonstrated a commitment to building cross-functional teams that achieve operational success and deliver high levels of client satisfaction.

Ms. Proctor has also distinguished herself as a security and risk specialist. She is a trusted advisor to executives and government leaders, and her insights have helped shape national policies related to critical infrastructure. This level of industry expertise, combined with her talent for project management, has earned Ms. Proctor global recognition from her peers.

“Daina is joining us during a time of extensive growth for our aerospace, defence, and emergency management divisions,” said Trent Gervais, president and CEO of The Loomex Group Ltd. “One of our core beliefs is taking the time today to find the right and ethical way to solve tomorrow’s problems. Daina shares this belief, and I’m confident that she will help us grow our divisions while we continue to provide the exceptional level of care and service that our clients expect and deserve.”

As executive vice-president of performance and growth, Ms. Proctor will oversee the expansion of all business units within The Loomex Group Ltd., as well as subsidiary firms Explorer Solutions Canada and Explorer Solutions US. She will also work closely with the other members of the executive team for The Loomex Group Ltd.
